C119

Status:
Finished

Last updated:
Friday 21 May 2010

Amendment summary

Description

Please Note: The description below is a brief summary of the proposed amendment. To verify content of the final approved amendment see the Explanatory Report.

Authorisation No A1217 The amendment provides for the urban development of parts of Cranbourne East and Clyde North by: Amedning the schedule to Clause 81.01 to incorporate the Cranbourne East Precinct Structure Plan (including the Cranbourne East Native Vegetation Precinct Plan) and Cranbourne East Precinct Structure Plan Development Contributions Plan. Applying Schedule 2 to the Urban Growth Zone and schedule 10 to the Development Contributions Plan Overlay to land in the Cranbourne East Precinct Structure Plan area excepting land known as the Collison Estate which is rezoned from a Low Density Residential Zone to the Urban Growth Zone. Amending the schedule to Clause 52.17 to include the Collison Estate. Amending the schedule to Clause 52.16 to include the Cranbourne East Precinct Structure Plan (including the Cranbourne East Native Vegetation Precinct Plan) Deleting Development Plan Overlay Schedule 1 from the Cranbourne East PSP

area. Amending the boundary of the Land Subject to Inundation Overlay and reducing the extent of HO125 and HO151. Updating the Schedule to the Heritage Overlay to amend the description of HO151. Applying the Environmental Audit Overlay and Public Acquisition Overlay Schedule 3 to various sites within the Cranbourne East PSP area. Amending the schedule to Clause 66.04 to make the GAA a referral authority for subdivision and specified development applications in the Selandra Rise local town centre area. Updating the schedules to the Business 1 Zone Clauses 52.01 and 61.03. Making consequential changes to Clauses 21.03 21.14 and 22.07.

Environmental Effects Statement (EES)

No
